This will advise that the issuer has been added to the list of those foreign private issuers that claim exemption pursuant to Rule 12g3-2(b) under the Securities Exchange Act of 1934.

Please be further advised that in order to continue to claim this exemption, the issuer must furnish to the Commission, on a timely basis, all information required by Rule 12g3-2(b). This includes all relevant documents since the date of your initial submission. The burden of furnishing such information rests with the issuer, even if it delegates that responsibility to another, and the staff will look to the issuer for compliance. If the issuer is a member of an affiliated or control group which normally prepares reports, press releases, etc., in a single document, a separate report must be submitted for each issuer that claims an exemption under the rule because separate files are maintained for each issuer.

ALL FUTURE SUBMISSIONS MUST PROMINENTLY INDICATE THE EXEMPTION NUMBER IN THE UPPER RIGHT HAND CORNER OF EACH UNBOUND PAGE AND THE FIRST PAGE OF EACH BOUND DOCUMENT PURSUANT TO THE IDENTIFICATION PROVISIONS OF THE RULE. FAILURE TO SO INDICATE WILL RESULT IN THE SUBMISSION BEING RETURNED TO THE SENDER AND THE SUBMISSION NOT BEING RECORDED, RESULTING IN POSSIBLE LOSS OF THE EXEMPTION.

Dear Robyn

**AMRAD Corporation Limited (the "Company")**

**RE: PRICE QUERY**

We have noted a change in the price of the Company's securities from 43.5 cents on 6 January 2003 to a high of 65.0 cents today. We have also noted an increase in the volume of trading in the securities over this period.

In light of the price change and increase in volume, please respond to each of the following questions.

1. Is the Company aware of any information concerning it that has not been announced which, if known, could be an explanation for recent trading in the securities of the Company?
2. If the answer to question 1 is yes, can an announcement be made immediately? If not, why not and when is it expected that an announcement will be made?

Please note, if the answer to question 1 is yes and an announcement cannot be made immediately, you need to contact us to discuss this and you need to consider a trading halt (see below).

3. Is there any other explanation that the Company may have for the price change and increase in volume in the securities of the Company?
4. Please confirm that the Company is in compliance with the listing rules and, in particular, listing rule 3.1.

Your response should be sent to me on facsimile number 03 9614 0303. It should not be sent to the Company Announcements Office.

Unless the information is required immediately under listing rule 3.1, a response is requested as soon as possible and, in any event, not later than half an hour before the start of trading (ie before 10:30 a.m. E.D.S.T) on Friday, 10 January 2003.

The response must be in a form suitable for release to the market. If you have any concern about release of a response, please contact me immediately.

FILE No  
82-486**Listing rule 3.1**

Listing rule 3.1 requires an entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's securities. The exceptions to this requirement are set out in the rule.

In responding to this letter you should consult listing rule 3.1 and Guidance Note 8 – Continuous Disclosure: listing rule 3.1.

If the information requested by this letter is information required to be given to ASX under listing rule 3.1 your obligation is to disclose the information immediately.

Your responsibility under listing rule 3.1 is not confined to, or necessarily satisfied by, answering the questions set out in this letter.

**Trading halt**

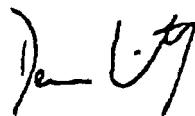

If you are unable to respond by the time requested, or if the answer to question 1 is yes and an announcement cannot be made immediately, you should consider a request for a trading halt in the Company's securities. As set out in listing rule 17.1 and Guidance Note 16 – Trading Halts we may grant a trading halt at your request. We may require the request to be in writing. We are not required to act on your request. You must tell us each of the following.

- The reasons for the trading halt.
- How long you want the trading halt to last.
- The event you expect to happen that will end the trading halt.
- That you are not aware of any reason why the trading halt should not be granted.
- Any other information necessary to inform the market about the trading halt, or that we ask for.

The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. If a trading halt is requested and granted and you are still unable to reply to this letter before the commencement of trading, suspension from quotation would normally be imposed by us from the commencement of trading if not previously requested by you. The same applies if you have requested a trading halt because you are unable to release information to the market, and are still unable to do so before the commencement of trading.

If you have any queries regarding any of the above, please let me know.

Yours sincerely

Dean Litis
